intends to cease the provision of all wireline service to both Lifeline and non-Lifeline subscribers in Michigan.

47 USC 214(e)(4) provides as follows:

A State commission . . . shall permit an eligible telecommunications carrier to relinquish its designation as such a carrier in any area served by more than one eligible telecommunications carrier. . . Prior to permitting a telecommunications carrier designated as an eligible telecommunications carrier to cease providing universal service in an area served by more than one eligible telecommunications carrier, the State commission . . . shall require the remaining eligible telecommunications carrier or carriers to ensure that all customers served by the relinquishing carrier will continue to be served, and shall require sufficient notice to permit the purchase or construction of adequate facilities by any remaining eligible telecommunications carrier. The State commission . . . shall establish a time, not to exceed one year after [approval of] such relinquishment under this paragraph, within which such purchase or construction shall be completed.

See also, 47 CFR 54.205. Thus, relinquishment may be granted to a carrier for any area that is served by more than one ETC.

On November 30, 2016, Budget PrePay submitted supplemental information. Budget PrePay provided examples of several Lifeline-only ETC's that currently provide service throughout Budget PrePay's service area, including TracFone Wireless (SAC 319021), i-wireless (SAC 319029), Boomerang Wireless (SAC 319036), American Broadband and Telecommunications Company (SAC 319032), and Q Link Wireless (SAC 319035).

Since there are no customers that will be affected by this relinquishment and the applicant has shown there to be several providers of Lifeline in their service area, the Commission authorizes the relinquishment of Budget PrePay's ETC designation (SAC 319024) effective December 30, 2016.

THEREFORE, IT IS ORDERED that the wireline eligible telecommunications carrier designation of Budget PrePay, Inc., is relinquished effective December 30, 2016.
